

About Raphah Ministries

Raphah Ministries is a non-denominational Christian healing and discipleship ministry with a vision to touch hurting and wounded believers with the Father-Heart of God, and to rebuild such broken lives with healing and restoration to wholeness through the Word of God, biblical counsel and Spirit-enabled prayer.

The ministry had its beginnings in a local prayer support group for the Ellel Ministries' International Schools of Evangelism, Healing and Discipleship, England, and grew out of the desire of a number of its alumni to establish a similar local ministry and training centre where believers could come and receive teaching, be trained and equipped to serve the Body of Christ in healing and discipleship ministry.

Based at "Beit Raphah" – House of Healing – located in the residential suburb of Petaling Jaya, Raphah Ministries is served by volunteer ministry teams and a Leadership comprising members from different congregations. The Leadership is in turn advised by a panel of senior Christian leaders of the Malaysian Church community.

The ministry is registered in Malaysia as Life Rebuilders (M) Sdn. Bhd. [534687-U] and has training and ministry centres in Petaling Jaya and Ipoh.

Raphah Ministries is a current member of the National Evangelical Christian Fellowship of Malaysia (NECF).

About the Seminar

Many people, including Christians, have some form of addiction or another; more often than perhaps we would like to admit!

As long as there is an addiction, there is poor self control and loss of the proper use of free-will which God gave us.

There is always a reason for the over indulgence or slavery in our lives: dissatisfaction with something or someone, fear of failure or actual failure, escape from a life situation, or inability to face problems—not knowing where to turn—and trusting in human efforts and programmes rather than turning to God and submitting to God who has the answer for all life's circumstances.

Nothing is impossible with God, as He wants—even more than we understand—to give us a fruitful and abundant life.

Some of the addictions the seminar will address include addictions to alcohol, drugs, cigarettes and sex. These will be covered only sufficiently to the extent of being able to know the underlying causes, the effects and consequences of addictions, and where God can step in to bring freedom.

Other addictions will include shopping and compulsive spending, gambling, talking and gossiping, hoarding, cleaning and workaholism, apart from the addictions of recent years: of the television, internet, sports and even religiosity. From these insights, the participant will be able to extrapolate the life situations of any other forms of addictions.

Indeed the background life situations of those afflicted are often similar, and God is able to set free—but on His terms, thereby leading us to die with Him at the Cross so that we may live again in newness of life.

This Seminar will also explore why some people suffer from addictions of one kind or another; it will also look into the devastating consequences of some addictions on individuals, families, and others. Addressed will also be addictions that have ruined societies, tribes and nations.

Finally, the seminar will look to God with contrite hearts and broken spirits to seek His love, forgiveness and restoration.
