

About Raphah Ministries

Raphah Ministries is a non-denominational Christian healing and discipleship ministry with a vision to touch hurting and wounded believers with the Father-Heart of God, and to rebuild such broken lives with healing and restoration to wholeness through the Word of God, biblical counsel and Spirit-enabled prayer.

The ministry had its beginnings in a local prayer support group for the Ellel Ministries' International Schools of Evangelism, Healing and Discipleship, England, and grew out of the desire of a number of its alumni to establish a similar local ministry and training centre where believers could come and receive teaching, be trained and equipped to serve the Body of Christ in healing and discipleship ministry.

Based at "Beit Raphah" – House of Healing – located in the residential suburb of Petaling Jaya, Raphah Ministries is served by volunteer ministry teams and a Leadership comprising members from different congregations. The Leadership is in turn advised by a panel of senior Christian leaders of the Malaysian Church community.

The ministry is registered in Malaysia as Life Rebuilders (M) Sdn. Bhd. [534687-U] and has training and ministry centres in Petaling Jaya and Ipoh.

Raphah Ministries is a current member of the National Evangelical Christian Fellowship of Malaysia (NECF).

About the Seminar

In the space of just one generation, standards of morality and sexual practice have undergone such tremendous and radical change—departing significantly from God’s creation ordinances—that it has become urgent and necessary that the Church reassesses and reiterates its position in response to these rapidly changing sexual trends.

To fail to do so is to deny the body of Christ the benefit of much needed counsel and guidance in a vital area of Christian discipleship; exposing them as prey to the deceptions and attacks of the enemy; and threatening the breakdown of godly relationships, marriages, families and even communities.

In the words of Paula Sandford:

This is a time in history when belief in the absoluteness of the laws of God has been eroded from the hearts of many Christians. Sin is taken lightly. Too many run into the house of God to sing His praises, then run out to fornicate and commit adultery the rest of the week with little or no conscience. Sex is no longer held to be sacred by many in our modern society.

Healing Women’s Emotions, 1992

There is thus an urgent need to face this flood head-on: to know and appreciate what God and the Bible have to say about godly sex and sexuality, to form right and appropriate attitudes and responses to it, and to arrest this destructive and deteriorating trend.

This **Honouring Godly Sex and Sexuality** Seminar is designed and presented to facilitate this process.

It looks at the big picture of biblical teaching on the intentions and purposes of God in the man-woman/male-female relationship at creation; the nature and place of intimacy within that relationship; the roots and consequences of sexual sin, and how shortcomings and failures in both understanding and practice can be redressed.

Participants will have opportunities to interact with the teaching content through questions and clarifications, while needs for personal time will be addressed outside of the seminar proper.
