

About Raphah Ministries

Raphah Ministries is a non-denominational Christian healing and discipleship ministry with a vision to touch hurting and wounded believers with the Father-Heart of God, and to rebuild such broken lives with healing and restoration to wholeness through the Word of God, biblical counsel and Spirit-enabled prayer.

The ministry had its beginnings in a local prayer support group for the Ellel Ministries' International Schools of Evangelism, Healing and Discipleship, England, and grew out of the desire of a number of its alumni to establish a similar local ministry and training centre where believers could come and receive teaching, be trained and equipped to serve the Body of Christ in healing and discipleship ministry.

Based at "Beit Raphah" – House of Healing – located in the residential suburb of Petaling Jaya, Raphah Ministries is served by volunteer ministry teams and a Leadership comprising members from different congregations. The Leadership is in turn advised by a panel of senior Christian leaders of the Malaysian Church community.

The ministry is registered in Malaysia as Life Rebuilders (M) Sdn. Bhd. [534687-U] and has training and ministry centres in Petaling Jaya and Ipoh.

Raphah Ministries is a current member of the National Evangelical Christian Fellowship of Malaysia (NECF).

Description of Seminar

It is the experience of many pastors, church leaders, Christian workers and believers that the Word of God is one of the most powerful weapons of spiritual warfare in exposing the deceptive lies of satan, for disarming him, and for undoing the works of the kingdom of darkness.

The truth of the God's Word not only dispels darkness, it also sets free those who have been held in bondage through ignorance, neglect, disobedience or sin. This is the hope that is given to all who would submit themselves wholly under the Lordship of Jesus Christ in every area of their lives.

The Bible declares that Jesus Christ came that His disciples may have life, and have it to the full. Accordingly, this should be the experience of every Christian. But, the truth of the matter is that many Christians still struggle and battle for victory and breakthrough in their spiritual lives.

This HEALING THROUGH DELIVERANCE Seminar teaches how believers may take back from the enemy what he has robbed from them through identifying how the enemy functions, the strategies he uses, and the keys to disarm them.

The teaching aims to remove the aura of mystique and sense of fear often associated with the mention of satan and the demonic realm. It explores from a biblical point of view, the foundations of the Christian healing ministry; the nature of the spiritual realms; the impact spiritual forces exert on believers, and the consequences that result from participating in occultic activity.

The seminar also provides biblical yet practical keys to break free from the clutches of satan, and to remain in spiritual freedom.

The one-day seminar will usually end with an opportunity to receive general ministry in this particular area of Christian life.
