

Course Description

This short Course addresses some major areas of problem and conflict faced by believers today—especially unresolved psychological and spiritual issues that can render a believer ineffective in discipleship and unfruitful in ministry.

The Course provides a biblical framework for understanding and discerning the root causes behind many of these problems and the means to resolving them. It also sets the context and framework for the practical training in Part 2 of the Prayer Counselling Course: the 4-day *Prayer Counselling Ministry Skills Training Course*.

The *Prayer Counselling Ministry Skills Training Course* provides further teaching, helpful insights, diagnostic tools, and guidelines in praying for individuals in different situations. Those wishing to sign up for this practical training should first have completed the *Understanding Christian Healing: The Issues Training Course*.

Both short Courses are deliberately designed to be biblical, practical, ministry-oriented, and gives priority to learning how to listen to God; how to identify root problems and consequences; and how to develop appropriate responses so that ministry is led by the Holy Spirit according to the individual's circumstances and needs.

Teaching Format

The daily schedule consists of three or four teaching sessions with regular breaks, and includes times for discussion, questions and answers, as well as prayer as led by the Spirit of God.

Attendance at all training sessions is required, and on completion of either Course, trainees will receive a *Certificate of Attendance*.

"This Course has helped and given me a handle to counsel and minister with greater confidence ..."

K.S. Tan

"It was an eye-opener for me in many ways and ... has encouraged me to do what I can to help hurting people."

About Raphah Ministries

Raphah Ministries is a non-denominational Christian healing and discipleship ministry with a vision to touch hurting and wounded people with the Father-Heart of God, and rebuild lives broken and damaged in the course of living out our lives.

The Ministry is committed to work alongside individuals and the wider body of Christ in encouraging awareness of the Christian healing ministry, and in equipping the local church to carry out this task. It does this on a regular basis through church visits, seminars and training courses.

The philosophy, work and mission of Raphah Ministries are founded on the Scripture in Isaiah 61:1,

The Spirit of the Lord God --- has anointed me to bring good news to the afflicted; He has sent me to bind up the broken-hearted, to proclaim liberty to captives and freedom to prisoners.

Raphah Ministries had its early beginnings in a local prayer support group for *Ellel Ministries International, England*, and grew out of the desire of a number of alumni of *Ellel Ministries' Schools of Evangelism, Healing and Discipleship* to establish a similar, local, healing ministry and training centre where believers could come and learn, receive teaching and ministry, and be equipped to serve the Body of Christ.

The Ministry is headed by a Leadership Team comprising pastors and lay persons from different local congregations, and is in turn advised by a panel of senior Christian leaders of the Malaysian Christian community.

Raphah Ministries is an active member of the National Evangelical Christian Fellowship (NECF) and is registered in Malaysia as *Life Rebuilders (M) Sdn. Bhd.* with centres in Petaling Jaya, Selangor, and Ipoh, Perak.

Further information on Raphah Ministries Malaysia and its activities can be found at its website located at www.raphahministries.org.my
