

## About Raphah Ministries

Raphah Ministries is a non-denominational Christian healing and discipleship ministry with a vision to touch hurting and wounded believers with the Father-Heart of God, and to rebuild such broken lives with healing and restoration to wholeness through the Word of God, biblical counsel and Spirit-enabled prayer.

The ministry had its beginnings in a local prayer support group for the Ellel Ministries' International Schools of Evangelism, Healing and Discipleship, England, and grew out of the desire of a number of its alumni to establish a similar local ministry and training centre where believers could come and receive teaching, be trained and equipped to serve the Body of Christ in healing and discipleship ministry.

Based at "Beit Raphah" – House of Healing – located in the residential suburb of Petaling Jaya, Raphah Ministries is served by volunteer ministry teams and a Leadership comprising members from different congregations. The Leadership is in turn advised by a panel of senior Christian leaders of the Malaysian Church community.

The ministry is registered in Malaysia as Life Rebuilders (M) Sdn. Bhd. [534687-U] and has training and ministry centres in Petaling Jaya and Ipoh.

Raphah Ministries is a current member of the National Evangelical Christian Fellowship of Malaysia (NECF).

## About the Seminar

**H**omosexuality: Is this something the Church needs to deal with? The answer is a definite and resounding "Yes!"

The evangelical church is now being forced, by the increasing prominence given to same-sex relationships and activities, to engage the issue and recognize that the homosexual dilemma is not going to go away.

While some homosexuals are asking: "Why must we be singled out as spiritual liabilities? Why can't the Church see that we are hurting people who want help just like other sinners?" there are also those who say, "Being a homosexual is my choice. Why can't my homosexual choice be accepted as a norm in the Church?"

This contrasting perspective of homosexuality has created a dilemma for the Church: to what extent they are to bring hope and healing to homosexuals, and to what extent they are to let them suffer the consequences of their choice; whether to reject practising homosexual as outright sinners who don't deserve help, or to emphasize the sinfulness of the homosexual lifestyle while at the same time making a concerted effort to effectively reach out to struggling individuals with the transforming power of the gospel of Christ.

This ***Understanding the Dilemma of Homosexuality*** seminar is an attempt to address the issue from an open, compassionate yet biblical perspective, and with a view to providing realistic help for those struggling spiritually under the burden of guilt, condemnation and rejection.

Participants would be given an historical overview of the issue—how the homosexual explosion and dilemma came about in the first place—followed by an examination of the roles and contributions nature and nurture make in causing homosexuality, and concluding with practical guidelines for dealing with the issue, in particular principles to be observed in the road to recovery.
